5. [] Met briefly with Mr. Arthur Kuhl, Chief Clerk, Senate Foreign Relations Committee, and told him that we had received a request for the transcript of the Director's appearance on 5 May 1971 concerning Brazil for ostensible delivery to the Committee offices in the New Senate Office Building. Mr. Kuhl thanked me for the advice and told me to have it delivered to the main Committee room, S-116, and he would handle it in accord with the established procedures.

6. [] Met with Mr. Ralph Preston, House Appropriations Committee staff, and reviewed with him Chairman Mahon's letter to Representative David Henderson (D., N. Car.), of the House Post Office and Civil Service Committee, of 30 June 1970 concerning full exemption of CIA from the Ervin bill and gave him a draft of a possible letter to Chairman Thaddeus Dulski (D., N. Y.), of the House PO&CS Committee, concerning similar legislation presently under consideration in the Committee. Mr. Preston will discuss the proposed letter with the Chairman and advise me.

7. [] Met with Mr. Richard Barton, Employee Benefits Subcommittee, who told me that he feels that Chairman Hanley is convinced at present after this morning's meeting of the need for full exemption for the Agency from whatever measure is approved by the Committee relating to invasion of privacy of Federal employees. He was also impressed by the amount of time the Director gave to the Committee. Mr. Barton told me that Mrs. Myers, who handles the Committee records, is away for the next two days and that he will check the various application, psychological, and other forms in the possession of the Committee as soon as she returns on Monday. He believes each of the forms covered in this morning's meeting is already in Committee file. He noted, in passing, that there will be very little action on the bill pending the executive session of the Subcommittee on Wednesday, 23 June, which would be the first occasion the Committee will have to discuss the bill and to instruct the staff. There are other items of some importance on the agenda for that session that could limit the time available for Committee discussion and cause it to go over to the next executive session.

25X1 3. [] Received from the reporting firm of Ward & Paul the transcript of the Senate Foreign Relations Committee hearing of Monday, 24 May, of testimony on proposed legislation to provide public financing for Radio Free Europe and Radio Liberty.

25X1 4. [] Met with Mr. Richard Barton and Mrs. Lois G. Myers, Employee Benefits Subcommittee staff, and returned the transcript of Committee hearings on Wednesday, 19 May, concerning legislation dealing with invasion of privacy of Federal employees. I gave Mr. Barton a copy of the Director's letter of 21 May to Senator Ervin requesting full exemption for the Agency from S. 1438, the Senator's bill relating to invasion of privacy of Federal employees.

All seven members of the Subcommittee and Mr. Barton have indicated that they will be present at the Agency breakfast on Wednesday, 9 June. Representative Dulski (D., N. Y.), of the full Committee, and Representative H. R. Gross (R., Iowa), senior minority member of the full Committee, have conflicting engagements and will not be able to attend. Arrangements will be made to pick up three of the members at New Jersey and "C" Street at 7:30 that morning and bring them to the Headquarters building.

25X1 5. [] Received a call from [] 25X1
[] who told me that [] will be finishing 25X1
up his Agency contract in August and is very unhappy that he has been unable to locate Federal employment. It is not a matter of financial pressures, he has no apparent problems in this area; but rather his desire to be of continuing service. At dinner last evening, [] indicated that 25X1
he may seek assistance from Senator Jackson (D., Wash.). I thanked [] for the advice.

25X1 6. [] Met with Miss Justine Snipes, Manpower and Civil Service Subcommittee staff, House Post Office and Civil Service Committee, and received from her the classified attachment to the Director's letter of 2 July 1970 to Chairman Henderson which was a section-by-section analysis of S. 782, Senator Ervin's bill relating to invasion of privacy of Federal employees. Miss Snipes has reviewed Committee files at my request and found that only this one classified document had been retained by the Subcommittee. I told her that we would maintain custody of the document and return it should Chairman Henderson have further need for it. No other Agency classified material is held by the Manpower and Civil Service Subcommittee. I thanked Miss Snipes for her efforts in this matter.

25X1 14. [] Received a call from Mr. Richard Moose, Senate Foreign Relations Committee staff, who requested, if possible, a map of Laos outlining the North Vietnam controlled areas for use by the staff in briefing of the Foreign Relations Committee on Friday. Mr. Moose told me that two charts, one a viewgraph, were furnished by our people [] but are 25X1 outdated by the events of the past two weeks. He offered to loan them to me if I cared to come by and pick them up. I met later with Jim Lowenstein, of the Committee staff, who gave me the two page-size charts and asked if we would also sketch in, by dotted line, the 1 July 1970 line of North Vietnamese control on the larger map for Friday's briefing. 25X1 2. [] Called Fred Miranda, Social Security Administration, in connection with the OMB legislation referral on combining earnings credits under the Social Security and Federal Civil Service Retirement Systems. 25X1 4. [] Met with Mr. W. H. Boone, House Science and Astronautics Committee staff, who told me the Chairman has requested a conference and possible executive session with the Subcommittee for briefing on the NASA interface with the intelligence community. Following this meeting or briefing, Chairman Downing intends an open meeting of the Subcommittee with Dr. Robert Seamans, Secretary of the Air Force, and possibly John Foster, OSD DDR&E, on Defense space activities. I told her our records indicate several briefings involving this level of material. [] 25X1 [] OS, has been advised.
